	<u>Agenda Item</u>	<u>Action owner</u>
1.	<p>Punctuality – 10.15 meet for 10.30 training This seems to be more of an issue on training days than match days. There was a lengthy discussion around the persistent offenders and how the latecomers impact the whole training session apart from the obvious loss of valuable training time.</p> <p>Stu to speak to those concerned individually.</p> <p>Anyone running late or missing a session must call/text Matt in advance. Punctuality is one of things Matt will consider when selecting the team.</p>	Stu
2.	<p>Subscriptions There are still some subs outstanding for September (cheque payments were to be made if standing order not set up in time) and a couple for October. Mac will contact the individuals concerned.</p>	Mac
3.	<p>Club registration/medical forms A couple of forms are still outstanding – Astrid to chase up with individuals again.</p>	Astrid
4.	<p>Club equipment Set of goals (approx. £200) - we have sufficient club funds to buy these so Matt & Stu to identify the best deal and get them ordered.</p> <p>Corner flags (6) – Trudy may have access to some poles. Flags in the club colours can be made (Astrid) so little if no outlay needed.</p> <p>Bag of 12 balls and kit bag – approx. £50. Mat/Stu to identify the best deal.</p>	<p>Matt/Stu</p> <p>Trudy/Astrid</p> <p>Matt/Stu</p>
5.	<p>New players: The U9s have a pool of 12 registered players which gives everyone a good chance of getting a match.</p> <p>For the rest of this season new players will be accepted on a training-only basis but with the club reserving the option to register them with the league.</p> <p>Matt will try to arrange ‘friendly’ games in the new year where non-match players will take priority.</p> <p>U7s – Matt is happy to continue with the training sessions and a decision on whether to register a team in the U8 league next</p>	

	season will be taken at the end of this season.	
6.	<p>Advertising: Matt is getting a couple of screen-printed banners for his businesses and will investigate the cost of a BTC banner for use at matches and fundraising events.</p>	Matt
7.	<p>Fundraising: It was agreed that a fundraising team wasn't necessary but that we would apply for any grants etc that we become aware of. Ian to investigate applying for Broad Town Big Gig funds in 2010.</p> <p>We will have a stall at Broad town School Fete next year to help raise our profile in the village.</p> <p>Matt to mail out details of an on-line fundraising site that gives cashback to your nominated good cause when you buy from registered retailers.</p>	Ian Matt
8.	<p>Christmas: Suggestion for Christmas outing to cinema followed by food at local eatery on Sat 19th December.</p> <p>Mail to be sent out to gauge level of commitment before any arrangements are made. Trudy will check out costs at Frankie and Benny's.</p>	Astrid/Trudy
9.	Stu thanked Ian & Louise for their hospitality and the meeting closed.
